

Here are some suggestions for collecting the supplies needed for your *One Mitzvah One Community* packing event.

**SignUp Genius** <https://www.signupgenius.com>

Streamline efforts to coordinate your event with this easy to navigate, popular online tool. Use their templates to develop wish lists for collecting items, coordinate volunteers, and send invitations and notices. The app keeps track of all responses, and automatically updates the quantity of each item still needed. There is a free version; users can sign up with any device.

**Google Doc Sign-Up** (if you decide not to use SignUp Genius)

Create a Google Doc and list each item with the total number needed. Leave spaces for people to sign their names along with the quantity of that item they will donate. If there are people pledging supplies who are not able to attend the packing program, let them know when and where to bring their donations.

**Amazon Registry**

An Amazon Wish List is a convenient way for community members to donate items. They can order online and have the items sent directly to a specified location. On the following pages we have pre-sourced bulk items for packing, at the best price available when we developed the list. Remember to periodically check orders on your list to see that items are still in stock and add substitute product suggestions if needed. This is not an endorsement of particular products – just a handy example.

New to setting up a public wish list?

[Click here](#) for directions on how to set up a Wish List. [Click here](#) to learn how to edit, add comments, quantities, and assign a priority to each item on your list.

**Dedicated Tzedakah Drive**

Announce that *Tzedakah* collected from Rosh Hashanah to Sukkot will be used to buy supplies for *One Mitzvah One Community*. Designate (or create!) a public tzedakah box located in a public area. Build excitement for the project and draw attention to the tzedakah box by making and displaying a miniature table-top Sukkah and place the box inside!

**Building Drop-off for Supplies**

Identify a *One Mitzvah One Community* collection drop-off area in your building. Have bins clearly labeled and accessible. Post a list of needed supplies and the date donations are due on the bin.

Whichever method of collecting you choose,  
use social media to get the message out!

Working in partnership to bring this program to our community

## Amazon Wish List Samples

<b>TOILETRIES</b> (pack in quart-size plastic bags)
